Signature/Instructions

Please be aware that you may be required to provide additional documentation (copy of all state licenses, business card, sample of stationery, etc.) to your component society.

I understand that dual membership (state component and national association) is required to be a member in good standing. I agree not to represent myself as a member of APMA or my component, if for any reason, I cease to be a member in good standing. I also understand that a portion of my annual dues is in payment for a one year subscription for the ***APMA NEWS*** and for the ***Journal of the American Podiatric Medical Association***. I agree that incomplete or false information may be grounds for denial or termination of membership.

APMA dues are not deductible as a charitable contribution for federal tax purposes but may be deductible as a business expense.

If you are a practicing DPM, it is important to contact the state component in which your primary practice is located. Contact information can be found on-line at www.apma.org/StateComponents. Your component will inform you of the amount of dues to remit as well as any other required documentation. An overview of membership processing procedures of each component can be viewed at www.apma.org/MembershipProcess. Your completed application and dues payment must be sent directly to your component, not the APMA.

If you are a DPM in post-graduate training, send your completed application and dues payment directly to APMA. A current dues chart for DPMs in post-graduate training can be viewed at www.apma.org/PostGraduateDuesSchedule.

If you have any questions, please contact the APMA Membership Services department at 1-800-ASK-APMA.
